Moisture Protection Specialties

Project Name: 2555 Grand Avenue

Contact: Mr. Rich Crouch,
Desco Coatings

Address: 2555 Grand Avenue
Kansas City, MO

Phone: 314-842-0588

Installation: 2003

Materials: Strongcote SC112/113
Heavy Duty Traffic Membrane

Preparation: Powerwash

Application: Squeegee/Broom Finish

This new parking garage was in need of a waterproofing coating system due to the hairline cracking that occurred during construction. Due to the occupancy of the building it was decided to use an odor free system. A tight time schedule also required a quick cure system that could be installed in one weekend. Strongcote was the product of choice on this deck totaling 16,000 square feet.
